

## **Game 2: Main Street Clue Sleuth**

### **Details and Instructions**

This game is played on Main Street in downtown Bozeman, between Broadway on the east side, and Grand Avenue on the west side. Your mission is to find the location of the 99 photo clues. Some of the clues are on the cross streets off of Main, but you can easily see them.

There will be three prizes. The three entries with the most correct answers will each win a \$10 gift card, from either Steep Mountain Tea House or Cafe M (your choice). An entry with 99 correct answers will win a \$15 gift card instead of \$10.

Steep Mountain Tea House (formerly Townshend's) – 402 East Main

Cafe M – 777 East Main (across the street from library). Open 7 am to 2 pm.

#### **Here are a few points to remember:**

1. A location can have more than one clue, but each clue is different.
2. Pay attention to what each clue is asking you. The answer required may be the name of a business, the address of a building, the name of a building or the name of a cross street.
3. Some clues can look different now, such as a window display. You can still use the hints in the photos to locate them.
4. Be aware that Tracy Avenue is the dividing line between East Main and West Main. If you are asked for an address, be sure to indicate east or west. Otherwise, your answer would be incorrect.
5. Use the game 2 entry form. You can write your answers, take a picture of each page, then send them all in one email. Or you can open the PDF and use the “fill and sign” feature in Adobe to type your answers (you can adjust the font size). Then save the PDF, attach it to your email and send it to: [Games@BozemanFolklore.org](mailto:Games@BozemanFolklore.org)
6. The entry form has a QR code on each page. Scanning it will take you to the games page on the BFS website (<https://BozemanFolklore.org/Games>).
7. Be sure to email your entry no later than Sunday night, April 11<sup>th</sup>.

**Have Fun!**
